Mark your calendars! The middle school fall dance will be Friday, November 6th 7:00 - 8:30 PM

6th Grade Prairie Field Trip

On Monday, October 20th, 6th grade students went to Kuehn Conservation. While there naturalists led the students to think, feel, and experience what a prairie is and why it's important. Some of the highlights of the day were going into the prairie, going on a hike through the woods, and collecting seeds. It was a great day of education and exploring for 6th grade science!! - Ms. Cook :)

Here are some thoughts from 6th grade students about the day:

"In the prairie it feels like you are free and relaxed." Gunnar Weaver

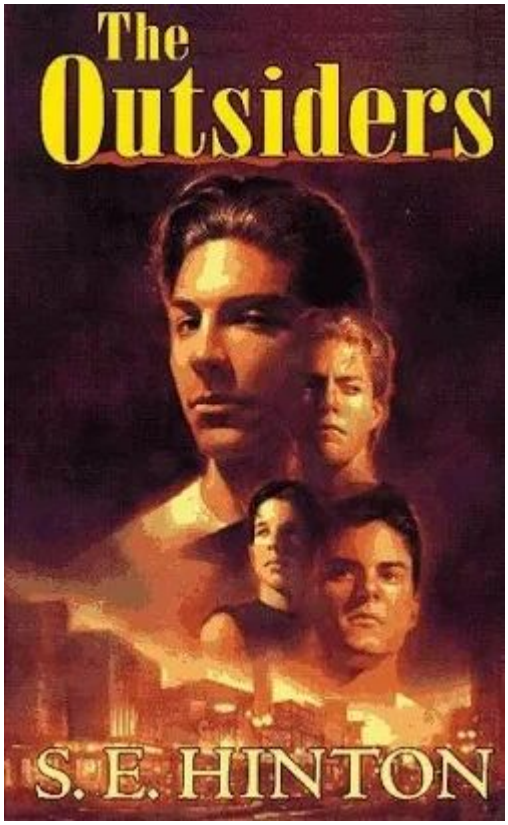

"Something I learned from the field trip was there's no more buffalo in Iowa.There used to be prairie chickens, but not many are left. Pheasants actually came from Asia, not Iowa! I had fun walking and learning about prairies." Kori Andrist

"I was glad because we were able to help Kuehn collect seeds and they are going to actually use our hard work to use it for the prairie next spring." Finn Sheeler

"I enjoyed being in the wildlife. I learned that there is less than 1% left of prairies in Iowa. The field trip was fun! ." Baylee Shottenkirk

"I liked when we played hawk and rabbits. I also liked when we sat in the prairie and just listened to the sound and when we hiked through the woods!" Max Letze

The 8th graders just finished reading the novel *The Outsiders*. *The Outsiders* has a repeating theme which emphasizes not judging people by the way they dress or how much money they have because deep down we are all the same no matter what we look like. On October 14th, the 8th grade had their annual Greaser/Soc dress-up day. Students came to school dressed up as a member of one of the groups from the text. Here is a link to the slideshow that was created by Mrs. Kuhns: https://youtu.be/L0MrzE41Csc

WILDCATS

WCVMS WINTER ACTIVITIES

GIRLS' BASKETBALL

11/12	AT MADRID
11/19	AT EARLHAM
11/30	AT MARTENSDALE ST. MARYS
