Happy Friday Wildcats!

*We had a wonderful Veterans Day program!
Our band & choir sounded great and we listened to a
wonderful message from Veteran, Ben Doyle.*

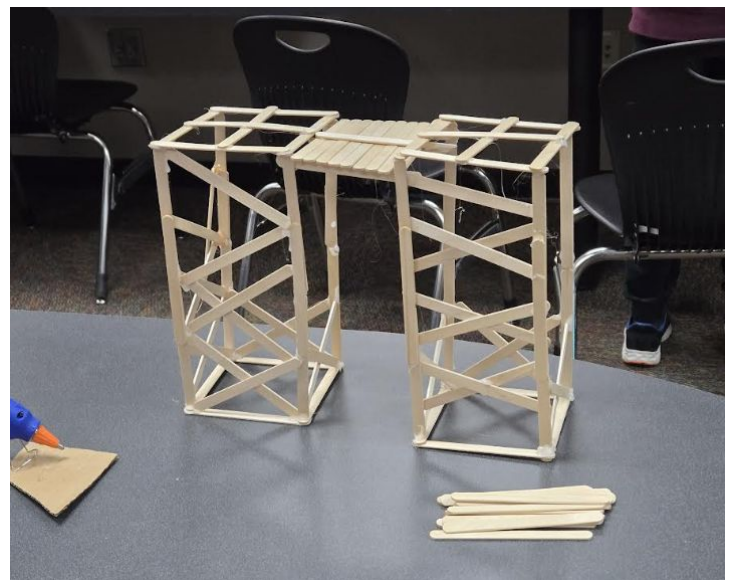

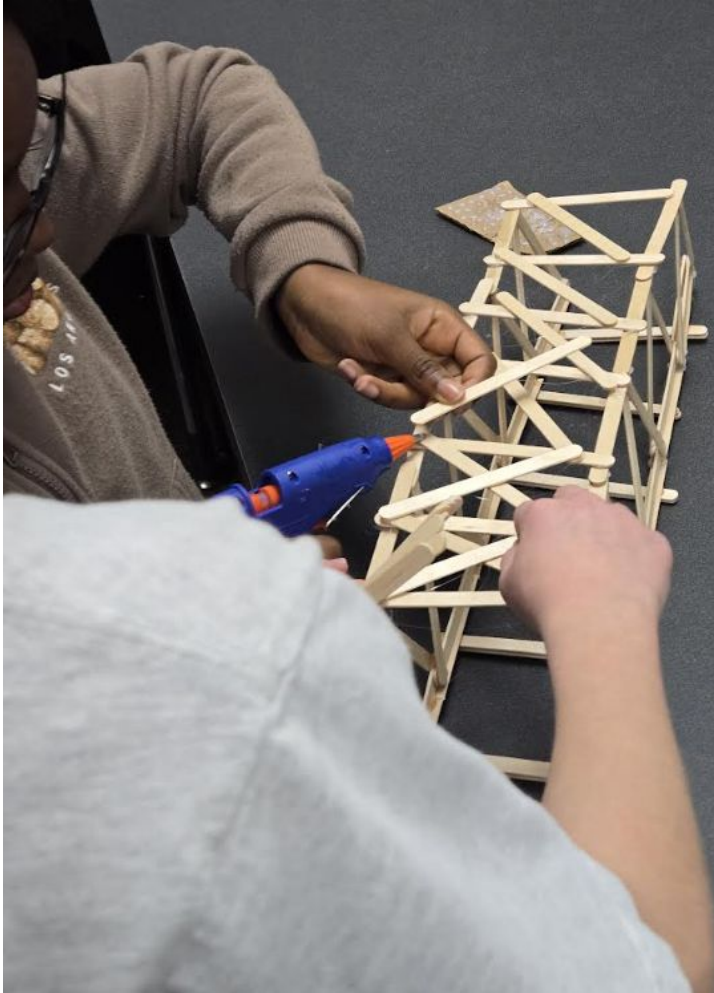

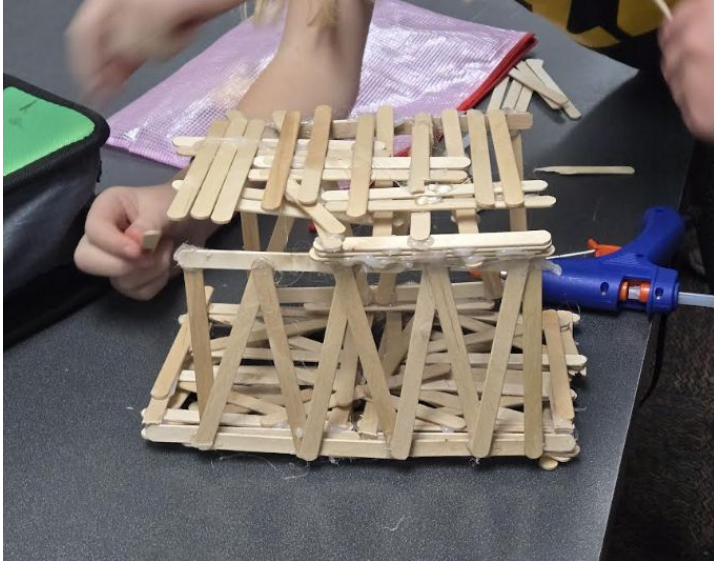

Eight middle school students attended the WCAC Conference Honor Choir as representatives of West Central Valley Middle School on Monday, November 17th. The middle school honor choir was directed by Mr. Brandon Record, High School Choral director at Lincoln High School in Des Moines. Students experienced a day full of singing and listening to a wide range of musical genres. It was a great day for the students to meet other conference musicians and make music together.

The 6th grade STEM students are currently building bridges to support as many books as possible using 100 popsicle sticks and hot glue. Here are the bridges in their final stages.

Dear Parents, Guardians, and Community Members,

Middle School students planning to attend the Washington D.C. trip in June 2026 are hosting a gift wrapping booth at the upcoming Winterfest event to help raise funds for their travels.

To make their booth a success, they need your help! We are currently seeking donations of new or gently used Christmas gift wrapping supplies. If you have any extra items at home, we would greatly appreciate your contribution.

We are specifically looking for:

- **Christmas gift wrapping paper**
- **Gift boxes (all sizes)**
- **Tape**
- **Bows, ribbons, and gift tags**
- **Scissors**

Your generous donations will directly support the students' fundraising efforts and help shoppers at Winterfest simplify their holiday preparations.

Donations can be dropped off at the WCV Middle School Front Office in Redfield between November 24, 2025 and December 3, 2025.

Thank you for supporting our students' educational journey to the nation's capital!
